For this coming week:

Reflect: Ever get lost? What do you remember from that event; what were your emotions; what did you learn?

What does the Passover Feast celebrate? (see Exodus 23; Deut. 16). What does this annual trip to Jerusalem say about Jesus' family?

Make a list here of Jesus' character traits you see here. What is one that you'd like to practice this week?

How are you hungering and waiting on God's Word, to grow and change? What can you do about that this new year?
