OUR PURPOSE AND PHILOSOPHY

The school is a ministry of Northminster Presbyterian Church and is an extension of Northminster's Christian Education Program. Our goal is to nurture young children in the love of Jesus Christ and to provide each child with a positive learning experience.

We believe that the early years of formal education lay the foundation for all future learning. We believe that each child is a unique gift from God. We use an approach that seeks to meet the needs of the whole child and recognizes that each one develops at his or her own rate.

OUR MISSION STATEMENT

Northminster Christian School is committed to providing a Christ-centered educational environment where each child can learn and grow emotionally, physically, intellectually, socially, and spiritually. Northminster Christian School serves as a ministry, Christian education resource, and nurturing setting for children, families of the school, church, immediate neighborhood, and Tucson community.

EARLY CHILDHOOD PROGRAM

Our state licensed and CSI Accredited program is open to children of all races, nationalities, and faiths. To ensure a quality program, we maintain a low teacher/child ratio for more individual attention. We encourage parent involvement both at home and in the classroom.

Our curriculum is designed to allow children to learn as they play. Each class works to develop language, gross and fine motor skills, problem solving, math and reading readiness, and social skills. We enhance these skills through art, music, science, library, and garden. We have weekly Chapel services and God's Word is integrated into every area of the academic program.

TWO AND THREE YEAR OLDS

We offer a Two-Year Old and Three-Year Old class Monday through Friday from 9:00am-12:00pm, with the option to choose two, three, four or five days.

PRE-KINDERGARTEN CLASS

Our Pre-Kindergarten class is available for toilet-trained children Monday through Friday from 9:00am-12:00pm, with the option to choose two, three, four or five days. This class places an emphasis on beginning reading, writing and math.

ENRICHMENT PROGRAM

We offer an exciting Enrichment Program for Preschool five days a week from 12:00pm - 2:00 pm, for toilet-trained children age two to five. Here they explore music, science, technology, and cooking on a deeper level.

ELEMENTARY PROGRAM

Our Elementary Program is accredited by Christian Schools International. We provide a Christian environment where children are taught by qualified teachers who are concerned with the whole development of each child. Our learning objectives exceed the State requirements. We offer creative instruction in language arts, reading, math, science, social studies and Bible. Enrichment areas include music, art, computers, physical education, and field trips.

Chapel services are held weekly, and God's Word is integrated into every area of the academic program. Students are encouraged to measure everything according to the Word of God and are taught to respect and love others.
