

# WHO IS IN YOUR REACH?

## STEP 1: LIST

Write the names of people who are in your life. They may be friends, family, classmates, teammates, or people you see many times. Ask God to show you who they are.

## STEP 2: PRAY

Talk to God about each person on your list every day. Ask God to make ways for them to know and follow Jesus.

## STEP 3: INVEST

Spend time with the people on your list. Get to know them better. Tell them about God and how he helps you. Look for ways to show them God's love.

## STEP 4: INVITE

Ask the people on your list to be in your life – at your house, at church, at special events. If they say no, that's okay, just ask them again for another event.

## STEP 5: PREPARE

Keep learning about Jesus and how to love and follow him. People will learn by watching you.
