The Believers Share Their Possessions

There was a great sense of unity among the first group of Christians.

Spell out the numbers in the blanks marked with each number's symbol. Some letters are used more than once. Read the description of the early church.

The church displayed a feeling of unity and of community.

Use the code to find how the believers treated one another.

Not only did they have good relationships with one another within the church, but they effectively testified of their faith before others.

Make 4-letter words that match the clues. Then use the numbered letters to complete the sentence.
